If drawers are stiff or uneven, adjust the position of the screws on the drawer runners. Try to keep all screws in the same position.

Wenn die Schubladen schwergängig oder uneben sind, passen Sie die Position der Schrauben an den Schubladenschienen an. Versuchen Sie, alle Schrauben in der gleichen Position zu halten.

Si les tiroirs sont rigides ou irréguliers, ajustez la position des vis sur les glissières des tiroirs. Essayez de garder toutes les vis dans la même position.

Se i cassetti sono rigidi o irregolari, regolare la posizione delle viti sulle guide dei cassetti. Cerca di mantenere tutte le viti nella stessa posizione.

Si los cajones están rígidos o disperejos, ajuste la posición de los tornillos en las guías del cajón. Trate de mantener todos los tornillos en la misma posición.
